## Dedication

In appreciation of the wonderful service she has rendered our institution, and because of the generous and whole-hearted support she has always given every activity of the student body, we dedicate this first issue of THE TRINITY to our beloved principal,  
Mrs. Carrie Sampson

H. H. SAMPSON, *Superintendent*

My Dear Friends:

Another year has gone, and each year I have the privilege of saying a farewell word to those who go away from the Bridgeport High School with a diploma duly signed — given in evidence of achievement. Only yesterday we stood where you stand and walked where you walk. Behind were the years of mingled joy and heartaches; ahead was the open road obscured only by a rainbow of promise. If you fail to add something to the world in which you live, you will be a disappointment to all of us, and will be considered an unworthy product of our high school.

Regardless of where you live or regardless of your vocation, be content with nothing less than a complete life each day. If you do not lead a complete life each day, how can you help those who are less fortunate than yourselves.

We are interested in you always.

Your friend,

H. H. SAMPSON.

MOTTO: We Finish to Begin

The year of 1928 has been a very successful one for the Senior Class, for it was the privilege of this class to publish the first volume of the yearbook, THE TRINITY. The presentation of the class play added much praise to their many accomplishments. Much of their success was due to the willing services of their teacher, Mrs. Sampson, and their class officers.

ORA AGNES  
BUTLER

"None knew her but to  
love her,  
None named her but  
to praise."

pretty and sweet,  
We like her more than  
we like to eat."

heart —  
How friendly is thy

be?"

### THE PEP SQUAD

When noise was created by an ultra-inspired student body this year, Ruby Clark, with her able assistant, Ovella Elder, could be seen prancing up and down in front of the Pep Squad throwing themselves into the characteristic contortions of good yell leaders. To them goes the honor of creating an inspired and fighting "sideline."

"Yea, Maroon,

Yea, White,

Yea, Bullies,

FIGHT! FIGHT!"

## GIRLS' GLEE CLUB

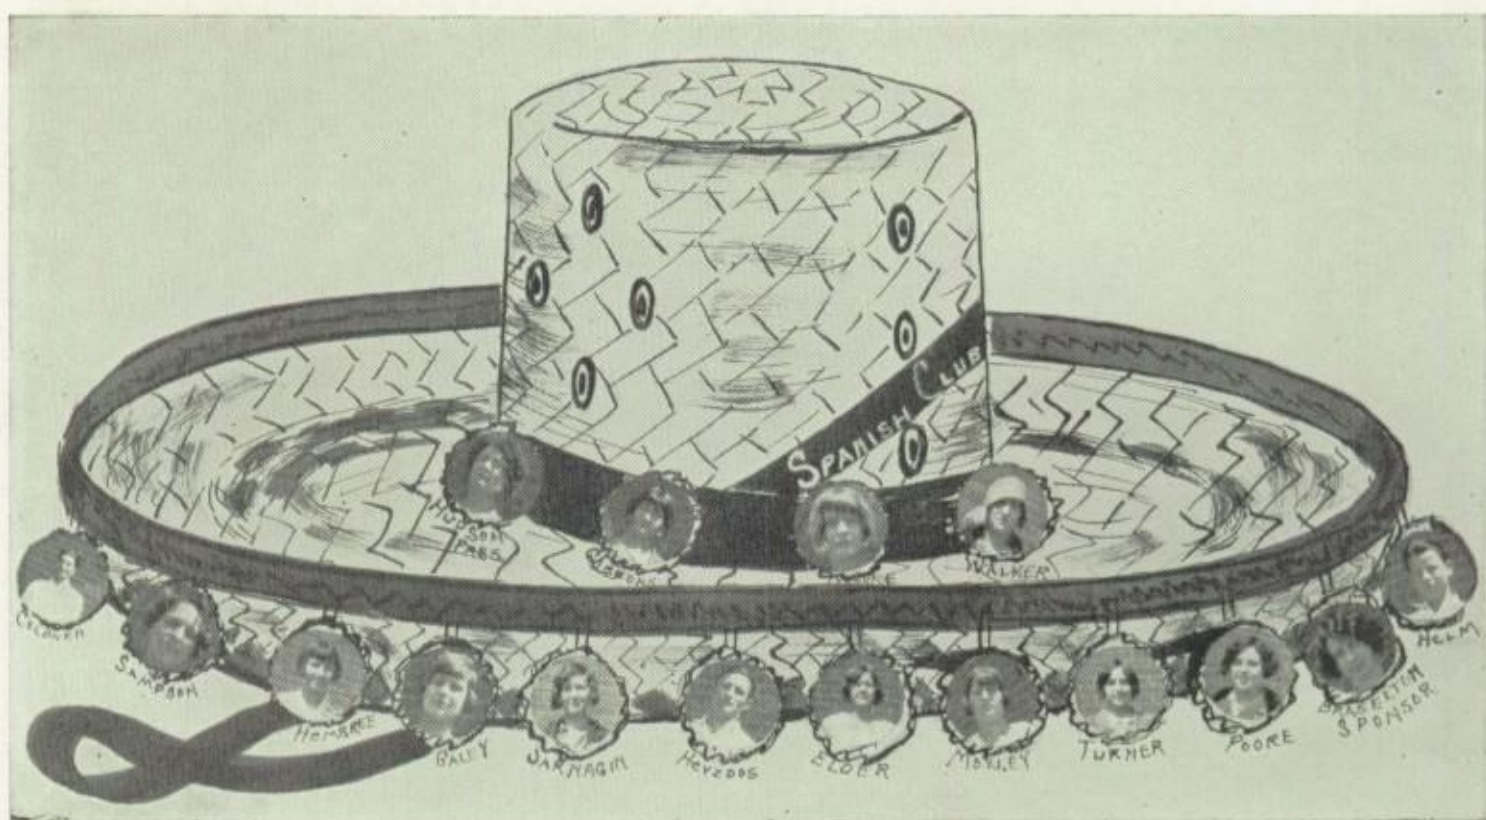

The Girls' Glee Club has been one of the foremost clubs of the school. They have given several concerts, and in March went to Denton to compete in the C. I. A. Music Contest.

The success of the Club is due to their Director, Miss Jennie Belle Renshaw, and accompanist, Mrs. Will Renshaw, who have worked diligently with them and proved themselves valuable at all times.

The Glee Club girls have made splendid progress, considering their experience in Glee Club work. Their songs have been of the classical nature and they deserve special mention for their excellent interpretation of difficult numbers which were included in their repertoire.

They are to be congratulated for the splendid work they have done and we hope that they will continue their education towards an increasing love and knowledge of good music, which is a vital element in the education of the people.

## THE FOOTBALL CLUB

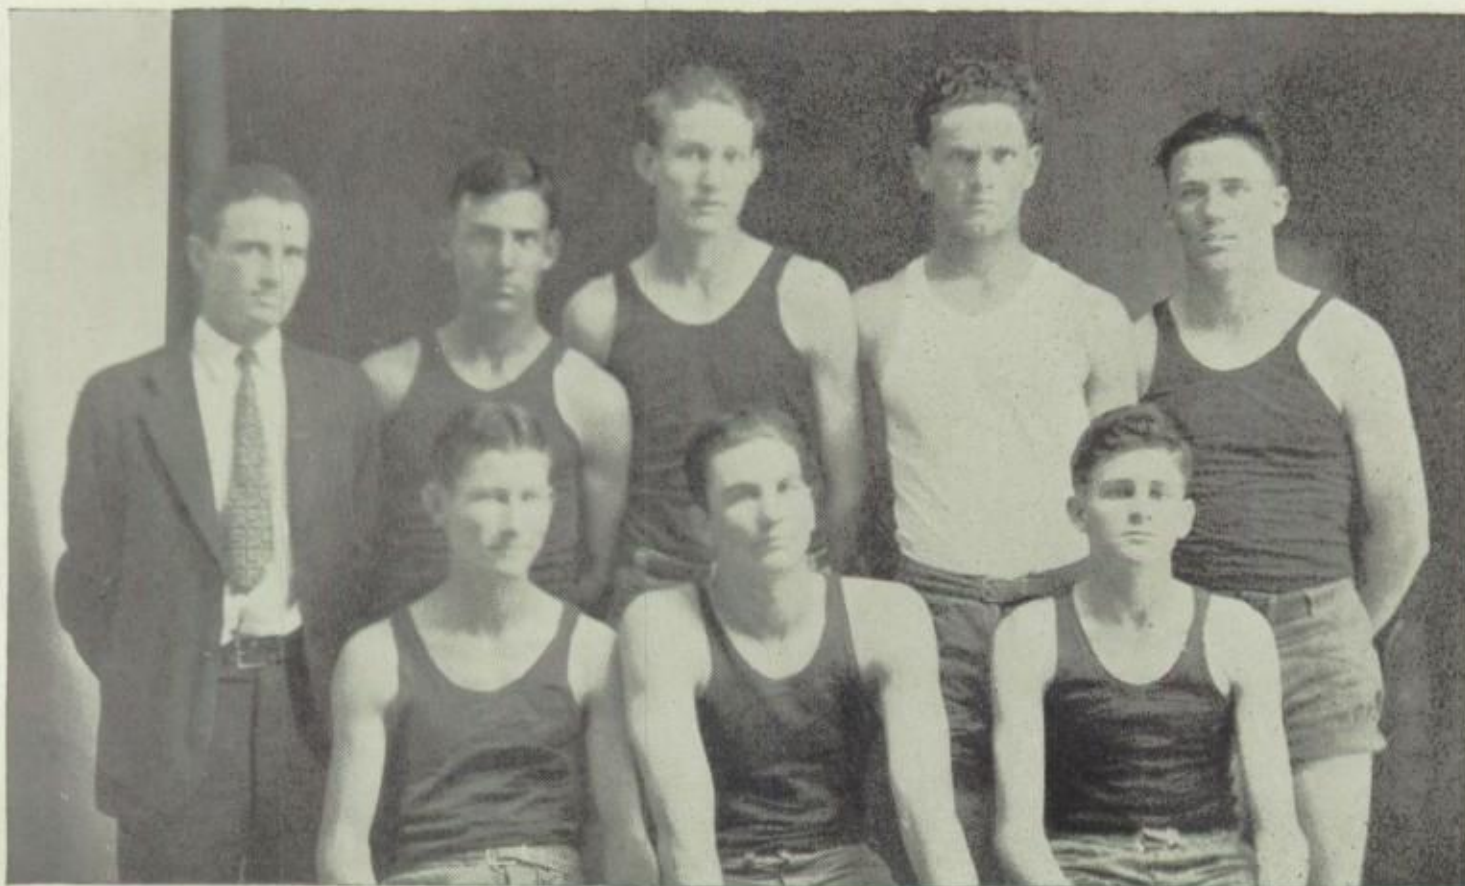

During the season of '27 the Bridgeport eleven again showed the people what they could do. They had a powerful and willing team; though somewhat inexperienced, showed itself far superior to every other team in the county. They suffered some defeat.

The Bullies did not try to pile up overwhelming scores on their opponents. They had a powerful line and a fast backfield, but the practice of Bridgeport teams has been to play steady and consistent football, and this has always proved sufficient in the past. They entered the semi-finals of the district.

Much of this was due to our coach, Mr. Jenkins, who is a tireless, efficient worker, and his efforts have assured him a warm place in the heart of every loyal student of B. H. S. We believe that we have the best coach of any city in the country. He is not only a coach, but he is a friend. Always he is ready to lend you a helping hand when you are in need.

Mr. Carson, as assistant coach, has displayed decided ability, proving himself very efficient and capable.

*Back Row:* Coach Carson, Rish, Johnson, Elder, Captain Mann.

*First Row:* Medlen, Colburn, Hawkins

## 1928 Basket Ball Club

The 1928 basket ball season ended fairly successful, considering the fact that the team had only a few lettermen back from last year's squad. With few exceptions, all this year's team will be back next season, and with this year's training and experience, Bridgeport should have a record-breaking team next winter. Although Bridgeport lost the majority of her games, she displayed throughout the season the same fight and valor that she shows in her other branches of athletics.

## 1928 Baseball Club

Bridgeport baseball this year started with as much enthusiasm as ever, in spite of the loss of several lettermen last year. Coach Jenkins made an excellent pitching staff from all new material, with the exception of a few.

The Bullies have had some hard luck and they opened the season on the wrong foot. They dropped the first game to D. B. C. by the score of 11 to 1. The next game, played in Decatur with D. B. C., was lost by the score of 7 to 3. In the next game Bridgeport defeated Chico by the score of 7 to 6. Then came the next defeat, at the hands of Polytechnic, with th score of 4 to 9 and 12 to 13.

The Bullies are not in the least discouraged. They are noted for their ability to come from behind and win over handicaps and we are all confident that they are going to come out on top.

## The Volley Ball Club

With only five girls back this year our chances for a winning team looked very poor. But with the new material Coach Ross built around Elliott, Clark, Pate, Yeats, and Power, a good team was produced, although not a championship team.

Our old rivals, Chico, were again in the field and were the championship team. Even though we cannot say we are champions, we have the consolation of knowing we have a good team.

Tennis, which is one of the major sports of the school, proved very interesting this year. The tennis club had only one match and that was in the County Meet.

For singles, Birdie Sampson won second place in the meet, 2-1, Chico; Greenwood, 2-0; Decatur, 1-2.

Bill Colburn won second place, 2-1, Chico; 2-1, Greenwood; 0-3, Decatur.

For doubles, Ovella Elder and Juanita Pate were defeated by the score of 1-2, Decatur, and W. J. Mann and Bill Colburn were defeated by the score of 1-2, Decatur.

## A Parting Word

The Editor and Business Manager wish to leave a parting word with you. We wish to say that we have labored by hook and by crook (and mostly crook) until we have succeeded in getting this first edition of the annual out.

You have probably been impressed by the many inconsistencies and errors which stand out so glaringly in the book. You can now easily understand why we made you pay for your book in advance before you had ever seen it. Yet it is our handiwork and we deny it not — “we did it with our little typewriter” — probably not the best we could have done, but the best we did do. If you have enjoyed in the least the perusal of this volume, or if in the future your grandchildren shall ever amuse themselves on a rainy afternoon looking at the funny pictures, we shall feel that the ink at least has not been wasted.

This is not an apology but a statement. We do not ask for your opinions, keep them to yourself; but remember this little parting word: “Judge not that ye be not judged,” for we have attempted to “do unto others as we would have them do unto us.”
